NEBOSH INTERNATIONAL GENERAL CERTIFICATE (IGC) IN OCCUPATIONAL HEALTH AND SAFETY

For Managers, Supervisors, or any position with occupational health and safety responsibilities

This Certificate-level qualification, SCQF Level 6, is rated as corresponding to a 3rd year bachelor's degree work and equivalent of an undergraduate Diploma or Advanced Certificate in Occupational Health and Safety

The National Examination Board in Occupational Safety and Health (NEBOSH) awards the International General Certificate (IGC), one of the highly recommended occupational health and safety certifications across the globe. Recognised by relevant professional membership bodies, NEBOSH qualifications are attained through examinations and assessments set by its qualified staff, assisted by external examiners and offered in accredited centres such as QESH Standards Limited.

The IGC offers knowledge, skills and the fundamental know-how to fulfill the health and safety responsibilities for any individual working in any kind of organisation. In the contemporary professional landscape, possessing the NEBOSH IGC has evolved beyond a recommendation; it is now a prerequisite for both local and international job opportunities, becoming indispensable for those aspiring to excel in diverse professional domains.

Thank You, Dear Esteemed Learner

QESH Standards Limited, as a distinguished NEBOSH Accredited Learning Partner (No. 919) with SILVER STATUS, is at the forefront of providing globally acclaimed NEBOSH qualifications. Within our offerings, individuals can choose from versatile learning options, including Physical Classroom Training for an immersive experience or the flexibility of Virtual Class & Distance Learning accessible from any corner of the world.

Our seamless and accessible learning environment means candidates have the convenience of conducting their Open Book Exam (OBE) and Practical Risk Assessment from the comfort of their home or workplace.

Joining our programs not only positions you as a preferred candidate for local and international job opportunities but also opens doors to explore diverse careers globally, making you a standout professional in the competitive landscape. At QESH Standards Limited, in collaboration with NEBOSH, we are dedicated to providing a pathway to global excellence in health and safety qualifications. Your journey to success and global recognition starts with us.

Successful Learners Can:

1. **Identify and Control Common Workplace Hazards**
2. **Confidently carry out Risk Assessments**
3. **Develop and Implement a detailed Action Plan**
4. **Support and Develop a Company's Health and Safety Culture**
5. **Ensure their teams undertake their day-to-day activities more safely through the awareness and knowledge gained.**

PROCESS

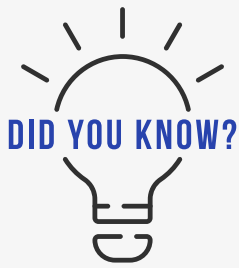

Payment

MODE OF TRAINING	OPTIONAL PAYMENT CURRENCIES

Holders of the NEBOSH International General Certificate are entitled to:

- Associate Membership (AIOSH) of the Institution of Occupational Safety and Health (IOSH).

The qualification also meets the academic requirements for:

- Technical Membership (Tech IOSH) of IOSH, and
- Associate membership (AIIRSM) of the International Institute of Risk and Safety Management

Training Modes

1 QESH Classrooms

QESH Physical Classroom Study offers focused learning away from distractions, allowing condensed training compared to Distance Learning. Learners can take exams during the study period or on a convenient date in a safe environment. The sizable class provides essential interpersonal interactions often lacking in distance learning. The course fee covers materials, tutorials, revision, mock exams, main exams, and breaks.

3 Tutor-Supported Distance Learning

An adaptable alternative for those averse to extended classroom commitments. You control the time, place, and pace of your study, supported by tutors through platforms like WhatsApp for interactive learning. Cost-effective and quality-focused, the program includes diverse materials, and the course fee covers everything from exams to twelve months of distance-learning access. Prepare for exams with tutor-led online revisions via Zoom.

2 Live Virtual

Perfect for those with time constraints, the virtual class mirrors a physical classroom's timeframe, offering structured learning globally through Zoom. Interactive sessions foster group dynamics, with flexibility for individual needs. Learners can engage remotely via diverse devices, pose questions, submit assignments, and prepare for exams through workbooks and revisions.

4 Corporate Classes

Organizations supporting learners in our programs follow corporate course fees. Explore executive packages for enhanced employee welfare. Opt for in-company training at your workplace, saving time and costs. On-site training provides location convenience and flexibility for last-minute changes, aligning with company policies and employee schedules. This approach ensures swift return to work post-training, optimizing business productivity.

Frequently Asked Questions

What is the duration of my enrollment?

You will have five years to complete your qualification. The five-year period starts from the date you passed your first successful unit (we call this the 'declaration date'). Any unit that is five or more years old will not count towards the qualification and you will need to retake this/these unit(s) if you still want to complete the qualification.

When do I receive my results?

Complete a Virtual Closing Interview for assessment results release. English assessment results, including practical applications, arrive within 40 working days from the exam or assignment submission, specified on your confirmation. Qualification grade depends on Unit IG1 result; Distinction (75+), Credit (65-74), Pass (45-64). Both units (IG1 and IG2) must pass for parchment issuance. Upon completing both units, expect a qualification parchment in 40 working days. Individual Unit certificates available on request to Nebosh at an extra cost. Results declared within 50 working days, certificates issued in 40 working days from the result declaration.

What is the process for the IG2 Practical Examination?

IG2 is a practical risk assessment that assesses what you can do. It is marked by external examiners appointed by NEBOSH. These examiners are chosen for their experience and expertise to ensure that learners are assessed by the best from our industry. It is held on a date set by Safeguard and must be taken within 7 days of a written examination. Unit IG2 is 'Pass' or 'Refer' and does not count towards the qualification grade but must be passed in order to achieve the qualification.

What are Re-Sit Exams

You may re-sit a unit assessment if: • you achieved a 'Pass' in a unit that is five or more years old, and you need it to achieve the qualification; • you are 'Referred' (i.e. don't pass); or • you want to retake a Unit to get a higher grade. There is no limit to the number of times you can re-sit unit(s) within the five-year period. Re-sit marks are not capped. If you want to try to improve your grade in a Unit, you need to tell Nebosh in writing within 20 working days of the declaration date of your successful unit.

Where can I find formative assessment and resources?

In course of your studies, you'll be required to participate in various types of formative assessments such as classwork, groupwork and syndicate sessions, workbook, OBE take-home assignments, IG1 mock examination, IG2 risk assessment. Guidance information and resources that will be helpful to your personal study of this qualification can be gotten from the Resources Section of this qualification on the NEBOSH IGC Webpage: <https://www.nebosh.org.uk/qualifications/international-general-certificate/#resources>

How do I confirm I have been registered for the NEBOSH IG1 Open Book Exam?

After registering for the Open Book Examination (OBE), NEBOSH will email you a Confirmation of Registration containing your learner number and essential OBE details. Verify the accuracy of your name and promptly inform us of any needed changes. If you don't receive this email on the specified date, check your spam folders or contact us immediately.

Are there particular policies I should be mindful of?

As a NEBOSH accredited Learning Partner, we are mandated to make you fully aware of current student terms and conditions and assessment policies to promote transparency and provide a fair assessment to all students. The NEBOSH Student Terms and Conditions, Policy and Procedures for Access Arrangements, Reasonable Adjustment and Special Consideration and Malpractices Policy and other relevant policies are available for students to download from the 'Policies' section of NEBOSH website: <https://www.nebosh.org.uk/policies-and-procedures>
