INTRODUCTION

Values | Message From CEO |
About Us

OUR MISSION

To provide customer-oriented QHSE services in training, consulting, certification, and manpower services by utilizing the best applicable standard to solve various QHSE challenges across the industries and world at large.

OUR VISION

To become the best one-stop shop for all Quality, Environmental, Safety and Occupational Health services by applying our QESH (Quality, Health, Safety, Environment) Standard approach through tailored QHSE Solutions.

OUR VALUES

- Goal Oriented
- Proactive Approach
- Timely Execution
- Excellent Results
- Continual Improvement

OUR CULTURE

QESH believes in teamwork through collective planning, strategic process approach and compliance to approved procedures towards achieving one goal, consistent with our operational principle: TIP-RAPP

MESSAGE FROM THE CEO

Dear Valued Partners and Future Collaborators,

It is with great pleasure and pride that I extend a warm welcome to you on behalf of QESH Standards Limited.

For over a decade, we've been dedicated to shaping excellence in Quality, Environment, Health, and Safety standards. Our journey has been one of continuous learning, innovation, and a steadfast commitment to the highest industry benchmarks.

At QESH, we don't just offer services; we provide pathways to mastery. Our training programs are meticulously designed to empower individuals and organizations, cultivating a culture of safety, sustainability, and operational brilliance.

In the realm of manpower supply and management consultancy, we stand as architects of efficiency. Whether you seek skilled manpower or strategic guidance, QESH is your partner in progress.

To our esteemed clients, thank you for entrusting us with your aspirations. To potential partners, we invite you to join hands in sculpting a future where excellence is not just a goal but a shared reality.

Welcome to QESH Standards Limited – where innovation meets integrity, and success is a journey we embark upon together.

Best Regards,

Dr. Foreman Onuoha
Managing Director/CEO, QESH Standards Limited

ABOUT US

Established in 2010, QESH Standards Limited stands as a beacon of excellence in the realm of Quality, Environment, Health, and Safety (QESH) standards, with an unwavering commitment to empowering individuals and organizations on a global scale.

Why Us?

- **Expertise:** Our team comprises seasoned professionals with a wealth of experience in QHSE standards and a passion for imparting knowledge.
- **Global Recognition:** Our international affiliations ensure that our clients receive services aligned with the highest global benchmarks.
- **Innovation:** We don't just follow standards; we set them. Our approach is fueled by a constant pursuit of innovation and improvement.

At QESH Standards Limited, we embody more than just a name; we embody a philosophy. Our mission is to instill a culture of excellence, environmental responsibility, and unwavering commitment to health and safety. We believe that through knowledge, we empower individuals and organizations to not just meet standards but to transcend them.

Every interaction with QESH Standards Limited is characterized by understanding, collaboration, and the genuine desire to see our clients succeed.

Join us in navigating the realms of QHSE excellence. Whether you are an individual seeking professional development or a corporation striving for mastery, QESH Standards Limited is your trusted partner in the journey towards a future where quality, environmental responsibility, and safety define the gold standard.

Choosing QESH Standards Limited means choosing a partnership founded on trust, expertise, and a shared commitment to excellence

Together, let's redefine the boundaries of excellence, forge new paths in sustainability, and elevate the standards of Quality, Environment, Health, and Safety. We intend to build a world where the pursuit of excellence is not just a choice but a collective ethos that shapes the narrative of industries and individuals alike.

OUR SUSTAINABILITY PLEDGE

● 2024

In 2024, QESH Standards Limited proudly commits to weaving sustainability seamlessly into our Quality, Environment, Health, and Safety (QESH) fabric. As a compact yet purpose-driven team, we pledge to adhere to international sustainability standards, championing resource efficiency and cultivating a corporate environment steeped in environmental responsibility. Our mission is to drastically reduce our carbon footprint, integrating eco-conscious practices, and adopting sustainable technologies that align with our QESH ethos.

KEYWORDS: Carbon Neutrality Quest. Holistic Waste Management. Employee Eco-Education.

● 2025

In 2025, QESH Standards Limited extends its dedication beyond internal initiatives. We vow to actively collaborate with other businesses, sharing our QESH knowledge and resources to guide them in reducing their carbon footprint. Through strategic partnerships and united efforts, we aim to foster a community of environmentally conscious enterprises collectively working towards a sustainable and resilient future.

KEYWORDS: Sustainability Knowledge Exchange. QESH-Aligned Supply-Chain Practices.

● 2026

In 2026, QESH Standards Limited aspires to amplify our impact on a global scale. Recognizing that QESH principles transcend borders, we commit to being advocates for global environmental initiatives. Our objective is to actively participate in international forums, conferences, and projects that address environmental challenges, contributing our QESH expertise to a collective effort for a sustainable and thriving planet.

Initiatives:

KEYWORDS: Global Engagement. Innovative Solutions.
